- facility tour

Introduction, getting to know each other

- What is your name
- Where are you from (home)
- Do you have a hobby
- What is your professional working area
- What do you (dis)like in your work

Expectations

GOAL

To develop and strengthen the competencies of laboratory personnel to perform microscopy PT technique according to the approved standards.

OBJECTIVES

By the end of this course participants should be able to:

- Understand the need for evaluation of Lab competence in Microscopy testing
- Learn how to prepare, package and ship Microscopy PT materials
- Learn how to analyze Microscopy PT data

Learning outcome

Learners will gain technical competency in preparation, packaging, shipping and analyzing of Microscopy PT materials.

Training methodology

Lecture

Demonstrations

discussions

Exercises

- Practical hands on

Duration

- Number of days: 10
- Start time: 9:00 am
- End time: 5:00 pm

Course content

- Over View of Microscopy
- Reagents, materials, and equipment requirements for Microscopy PT preparations
- Use and maintenance of equipment used in Microscopy PT Scheme
- Preparation Microscopy PT
- Microscopy PT preparation; QC and validation of PT material
- Quality control and validation of Microscopy PT
- Packaging of microscopy PT materials
- PT Shipping and shipping materials
- Data Analysis, Interpretation and reporting

Evaluation

- daily evaluation comments- during training
- End of course final Evaluation

Logistics

- Breaks: two coffee breaks and one lunch break
- Transport: pick up to and from the training venue to hotel

Assessment

- Pre/post tests
- Practical assessment
- exercises

Number of CEU

- 4

Certification criteria

Certificate of attendance: Learner scores less than 80%

Certificate of achievement: Learner scores at least 80%

Disclosure (Proprietary Interest)

Persons or groups are required to disclose a potential, perceived, and actual conflict of interest while executing their duties at the Uganda NTRL/SRL. There is no conflict of interest for all the learning courses offered

Confidentiality and access to learner records

- Correspondences and information related to the course **SHALL** be keep confidential unless consent for disclosure has been granted in writing by NTRL/SRL.
- Permission will be sought from learners to release their Confidential, private or sensitive information regarding CE training records

NB: There are incidences when permission **WILL NOT BE SOUGHT** to disclose confidential private or sensitive CE records such as information disclosed to NTRL funders/sponsors, National and international regulatory bodies, accreditation bodies to which Uganda NTRL/SRL subscribes to and among others where applicable. *Signed terms and conditions*

- Learners **WILL ACCESS COPY(IES)** of their training records, certificates, among others, upon seeking authorization from the training coordinator using the Email; training@ntrl.or.ug
- Feedback will be provided within ten working days from the date of request.
